“Go make your big, beautiful dent, and as you do so come down on the side of boldness. If you err, may it be for too much audacity, and not too little. For you really are enough. You have untold strengths and resources inside. You have your glorious self.”

— SUE MONK KIDD

Churchill County Adult Education

To the remarkable Adult Education Class of 2025

As your teacher, I am honored to celebrate this incredible milestone with you. Graduation is not just a celebration but a reflection of your dedication, perseverance, and growth. This past year, I've witnessed you face challenges with courage and strive toward your goals with determination.

You leave this chapter equipped with the knowledge, skills, resilience, and heart needed to shape a better future. The transformative learning you've experienced—both in and out of the classroom—has prepared you to think critically, act with purpose, and lead with integrity.

Whether you are heading to college, joining the workforce or military, or exploring new paths, always remember that your potential is limitless.

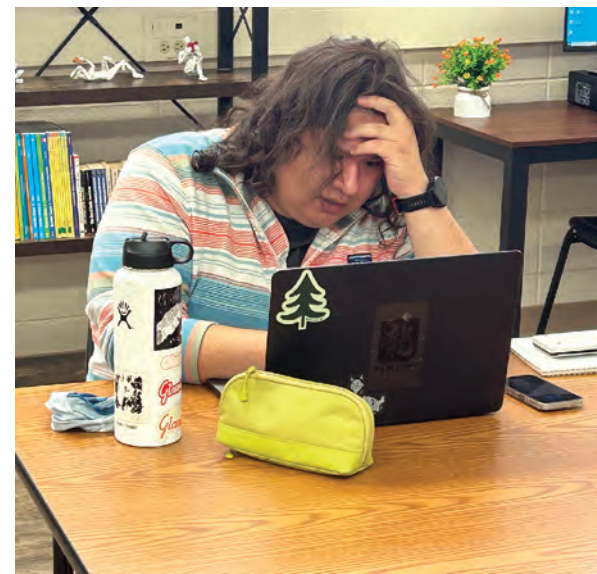

Wishing you all success, happiness, and love on your journey ahead.
