Councilwoman Karla Kent & Councilman Paul Harmon

## Message from the Principal

The graduating Class of 2026 at Churchill County High School represents the very best of what it means to be a Greenwave student. This senior class has distinguished itself not only through outstanding academic and athletic accomplishments, but also through the character, resilience, and pride its members demonstrate every day.

This year's graduates helped lead Churchill County High School to multiple athletic championships while also earning recognition for academic excellence, scholarships, and other achievements, including one student who received Nevada's prestigious Positive Athlete award. Their success reflects countless hours of hard work, dedication, and commitment both inside and outside the classroom.

However, what makes this class truly special extends far beyond awards, championships, and honors. The Class of 2026 is filled with students who lead through their actions rather than their titles. They are the students who show up every day, work hard, support their classmates, help their teachers, care for their families, and contribute to our school culture in ways that often go unnoticed. Their impact cannot always be measured by trophies or transcripts, but it can be seen in the positive influence they have on those around them.

What makes this group especially remarkable is the way its members represent the Greenwave experience. They support one another, take pride in their school, and understand the importance of community. They have embraced the traditions of Churchill County High School while helping shape a positive culture for future students to follow. Whether in the classroom, on athletic fields, in the arts, in the workforce, or simply through acts of kindness and service, they have demonstrated what it means to be responsible, caring, and engaged citizens.

The strength of this graduating class is also a reflection of the Fallon community. Our students are raised in a place where hard work matters, relationships are valued, and people show up for one another. Fallon is a community built on integrity, service, perseverance, and pride, and those values are clearly reflected in the young men and women graduating this year. Many of these students have spent years volunteering, working local jobs, supporting community events, caring for younger siblings, helping neighbors, and contributing to the fabric of our town.

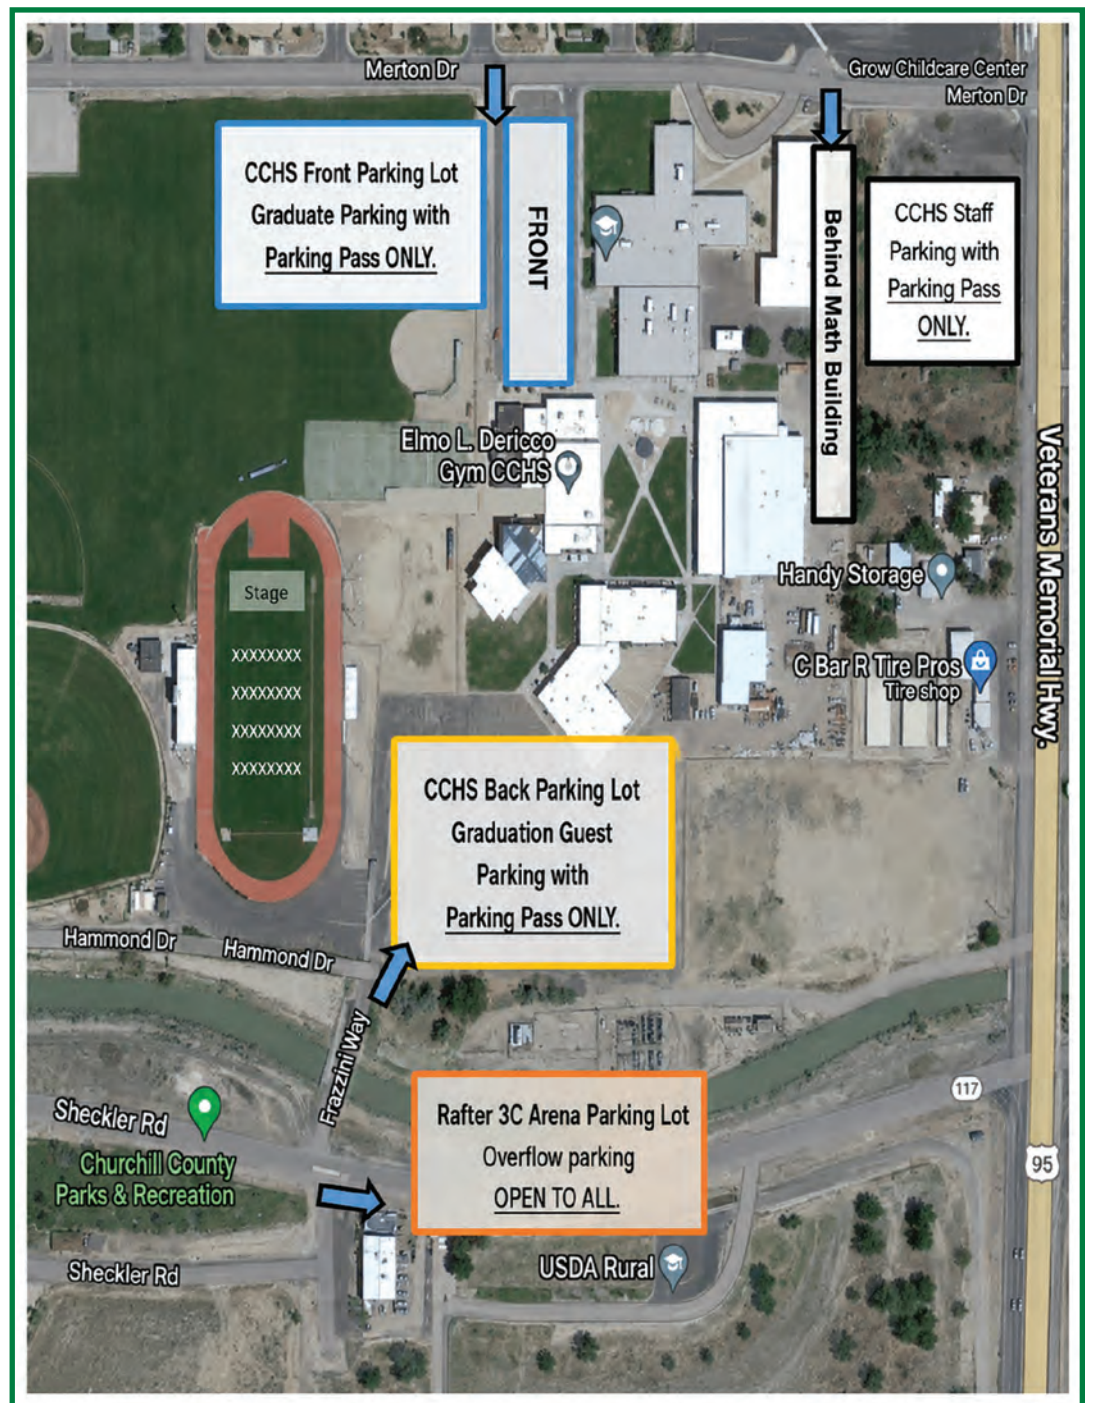

Throughout their time at Churchill County High School, these students have benefited from the support of families, teachers, coaches, staff members, employers, mentors, and community members who care deeply about their success. In return, this class has given our community much to celebrate and be proud of.

As they move forward into college, military service, careers, apprenticeships, and other opportunities, we are confident they will continue to represent Churchill County with pride. The future is bright for the Class of 2026, and we look forward to seeing the impact they will make both at home and beyond our community.

Congratulations to the Churchill County High School Class of 2026. Thank you for showing us what it truly means to be Greenwave.

*Tim Spencer*

Tim Spencer  
CCHS Principal

## Churchill County High School 2026 Graduation Designated Parking Access

### GENERAL INFORMATION:

Graduation will be held on Friday, June 5, at the Edward Arciniega Athletic Complex at 7 p.m. Gates will open at 5:30 p.m.

Overflow Parking: 3C Arena Parking Lot (OPEN TO ALL - no pass required)

### LIVE STREAM:

Graduation will be streamed live on Churchill County School District's Facebook page.

Allie May Fait

CCHS Valedictorian

The following message to the Class of 2026 is summarized from Churchill County High School Valedictorian Allie Fait's commencement address.

As I reflect on our time together, I am reminded that the moments that shape us most are often the ones that receive the least recognition.

I am grateful for the parents, family members, teachers, and mentors who helped us reach this milestone. Their support and encouragement played an important role in our journey.

Success is built through consistent effort, discipline, and perseverance. While awards, scholarships, and graduation are important milestones, personal growth often takes place during ordinary days and through the small choices we make every day.

Some of the most meaningful parts of high school are the friendships we build along the way. The relationships we form and the experiences we share

often become the memories we cherish most.

As we begin the next chapter of our lives, I encourage my classmates to embrace new opportunities while carrying forward the lessons, friendships, and experiences that shaped our high school years.

*Allie Fait*

Allie Fait,  
CCHS Valedictorian

The following message to the Class of 2026 is summarized from Jump Start Valedictorian Jeana Lee's commencement address.

As I look back on our time together, I am grateful for the friends, family members, teachers, and staff who supported us along the way. Their encouragement helped us overcome challenges and reach this important milestone.

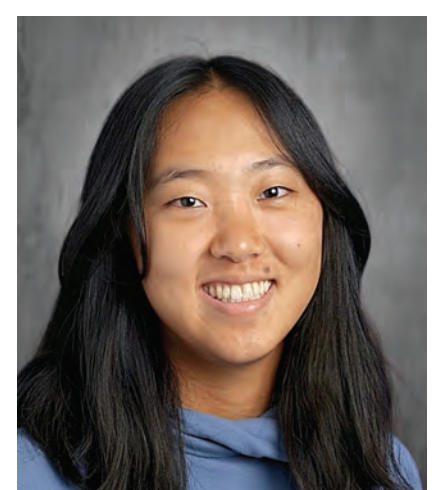

Our class has experienced a great deal together. We faced obstacles, adapted to change, celebrated successes, and created memories that will stay with us long after graduation. I am proud of what we have accomplished and the resilience our classmates have shown throughout our journey.

Some of the most valuable parts of high school are the friendships we build and the experiences we share. The memories we created together will remain an important part of our lives as we move forward.

As we begin the next chapter, I encourage my classmates to embrace new opportunities with confidence and perseverance. The future may be uncertain, but I believe each of us has the ability to overcome challenges, grow from our experiences, and achieve our goals.

# Senior Spotlight:

## Student-Athletes Excel in Competition and the Classroom

The Churchill County High School Class of 2026 leaves behind a strong athletic legacy marked by leadership, perseverance, sportsmanship, and academic excellence. While wins, losses, and statistics often define athletic success, several graduating seniors earned recognition for accomplishments that extended beyond the playing field and into the classroom and community.

Dylan Ekins-Faught

Leading the group is Dylan Ekins-Faught, who was named one of Nevada's Most Positive Athletes for the 2025-26 school year. The statewide award recognizes student-athletes who exemplify leadership, service, accountability, teamwork, encouragement, respect, and compassion. Ekins-Faught was one of only seven Nevada students selected for the honor.

Presented by the national organization Positive Athlete, the award celebrates students who make a positive impact on teammates, classmates, and their communities. More than 15,000 nominations were submitted nationwide this year from more

than 6,000 schools. Ekins-Faught's selection places her among an elite group of student-athletes recognized not only for athletic participation, but also for character and leadership.

Churchill County also produced multiple Academic All-State athletes among the graduating class. The Nevada Interscholastic Activities Association's Academic All-State program recognizes student-athletes who maintain high academic standards while successfully competing in their chosen sports.

Brenan Alves earned Spring Nevada Academic All-State honors in baseball. Throughout his high school career, Alves represented the Greenwave in football, basketball, and baseball, demonstrating the dedication required to balance academics with the demands of multiple athletic seasons. His Academic All-State selection reflects success both on the field and in the classroom.

Destinee Emily Tapia

Destinee Tapia was recognized as a Spring Nevada Academic All-State selection in girls track and field. The honor is awarded to athletes who maintain outstanding academic performance while competing at the varsity level. Tapia's recognition highlights the commitment necessary to excel in both athletic competition and academics.

Several other graduating seniors also earned recognition through academic programs for student-athletes during their time at Churchill County High School.

Brenan Gabriel Alves

Jeana Yea-Jin Lee

management required to succeed in both areas.

Kylee Simper and Jazelyn Kratz were recognized through girls soccer for their commitment to academics and athletics. Both students demonstrated the work ethic necessary to compete while maintaining strong performance in the classroom.

Leah Sorensen earned recognition through volleyball and was also named a Greenwave Scholar and a member of the National Honor Society. Her accomplishments represent a combination of academic excellence, leadership, and athletic dedication.

Together, these graduates represent some of the best qualities of Churchill County High School athletics. Their accomplishments reflect

countless hours spent in practices, competitions, classrooms, study sessions, and community activities. Whether earning statewide honors, academic recognition, or serving as leaders among their peers, they have demonstrated that success is measured not only by athletic performance, but also by character, commitment, and a willingness to lead by example.

As they prepare to pursue college, careers, and new opportunities, these members of the Class of 2026 leave a lasting impact on the Greenwave athletic program and set a standard for future student-athletes to follow.

valedictorian, distinguished herself both academically and athletically through girls tennis. Her accomplishments demonstrate the ability to balance a rigorous academic workload with extracurricular and athletic commitments.

Jullian Gocong earned academic athletic recognition through football while maintaining the academic standards expected of student-athletes. His achievements reflect the discipline and time

management required to succeed in both areas.

Dear Graduates,

Today, we celebrate more than diplomas — we celebrate determination, resilience, and courage. Each of you came to this moment with your own story, your own challenges, and your own reasons for continuing your education. Balancing work, family, responsibilities, and life itself while returning to school is no small accomplishment.

You proved that it is never too late to learn, grow, and pursue your goals. Your journey has shown strength, perseverance, and an incredible commitment to building a better future for yourselves and those around you.

We are proud of every late night, every sacrifice, and every step forward you made to get here. You have inspired your classmates, families, and teachers more than you know.

Congratulations, Class of 2026. Your hard work has paid off.

With pride,

*Chantelle Redner*

Adult Education Director and Teacher
